

Coded Vessel & Liferaft

SKU - 40021013

Survival Matches

Stronger and more effective than standard matches, these NATO-approved BCB matches feature extra long heads, ensuring they burn through strong winds and rain. Each match is hand-dipped and varnished for superior durability. Packaged in a waterproof container, a single tub includes 25 matches, perfect for any emergency kit.

Minimal quantity is 10 sets of 25 matches (10 Tubs).

KEY FEATURES

- **NATO-approved:** Ensures high quality and reliability.
