SOLAS FIRE TRAINING MANUAL. V3
 Including Fire Safety Operations

DESCRIPTION

Our Fire Training Manual has been specifically prepared for the marine industry, it is fully illustrated and clearly presented across approx. 290 pages. This manual is considered by many to have become the international industry-standard, and is used in commercial shipping fleets around the world.

The 3rd edition (English), published in August 2017, provides a comprehensive update, incorporating the significant changes made to SOLAS-II, and now including extensive cross-referencing to the Consolidated SOLAS (2014, and later amendments to January 2016) and other IMO Codes.

Available Languages

English	2017	3rd edition
Spanish	2011	2nd edition
Russian	2011	2nd edition
French	2011	2nd edition

All editions have been translated by professional translators working in their native tongue and familiar with maritime language
