Lifeboat Bailer

The Handheld Lifeboat Bailer is a critical safety tool designed for effective water removal in marine and emergency situations. With a generous capacity of 1065 ml and drop test of 36-metres, this lightweight bailer ensures reliability with quick and efficient bailing.

KEY FEATURES

- **Capacity:** 1065 ml, Handles large volumes of water for efficient bailing.
- **Drop Test Rating:** Withstands 36 metres: Ensures durability and reliability under rigorous conditions.
- **Weight:** Lightweight at 106 g (3.7 oz): Easy to carry and use, minimizing fatigue.
- **Design:** Buoyant: Floats to remain accessible even if dropped into water.
- **Handle:** Easy-to-grip: Facilitates one-handed use for convenience in emergencies.
- **Lanyard Hole:** Yes: Allows secure attachment to prevent loss.
- **Instructions:** Printed on reverse side: Provides clear guidance for quick operation.
