

General Marine & Liferaft

SKU - 40021038

Fabric Liferaft SOLAS 74

This inflatable emergency raft provides peace of mind with its high-quality, weatherproof construction and safety compliance. Made from robust, weatherproof nylon fabric and filled with polyethylene foam, the Inflatable Life-Saving Raft complies with SOLAS 74 regulations. The SOLAS life raft is equipped with a perimeter rope and strong grab handles, allowing for quick and secure boarding during emergency situations. Approved by the Hellenic Ministry of Merchant Marine, it is an essential addition for boats, ships, and offshore installations requiring reliable emergency preparedness.

KEY FEATURES

- **Durable Material:** Weather-resistant nylon fabric with polyethylene foam fill ensures long-lasting durability and reliable buoyancy in harsh marine environments.
- **SOLAS 74 Compliant:** Meets international safety standards for marine emergency equipment, providing assurance and peace of mind.
- **Perimeter Rope with Handles:** Reinforced grab handles and surrounding rope for secure and easy boarding during emergencies.
- **Available in Multiple Sizes:** People, 4 People, and 6 People
- **Liferaft size Options:** Each size offers tailored options to suit different vessel needs and passenger capacities.
- **Approved by the Hellenic Ministry of Merchant Marine:** Certified for use on commercial and private vessels, meeting high standards of maritime safety.
- **Spare Parts Available:** Spare fabric (code: 03821-F) and replacement handles (code: 03821-H) available for easy maintenance and extended service life.

General Marine & Liferaft

SKU - 40021038

Fabric Liferaft SOLAS 74

SPECIFICATION

Material: Weather-resistant nylon fabric with polyethylene foam fill

Compliance: SOLAS 74 certified

Approval: Hellenic Ministry of Merchant Marine

Sizes Available:

- *Model 03821-03:* 48 cm x 40 cm x 24 cm, capacity for 3 people
- *Model 03821-04:* 48 cm x 53 cm x 24 cm, capacity for 4 people
- *Model 03821-06:* 48 cm x 69 cm x 28 cm, capacity for 6 people

Design Features:

- Perimeter rope with reinforced grab handles for safe and easy access
- Durable construction designed to withstand harsh marine conditions

Spare Parts:

- Spare fabric (code: 03821-F)
- Replacement handles (code: 03821-H)

Applications: Suitable for commercial vessels, yachts, offshore platforms, and other marine environments

Packaging Unit: Each model sold as a single unit
