IMO Safety Signs

SKU - 40021056

Survival Clothing

DESCRIPTION

Eco-friendly photoluminescent safety signs for survival clothing – fully compliant with IMO and ISO regulations. Crafted using sustainable PETX material, offering easy installation with self-stick PE closed-cell foam backing. Complete with reference codes and article numbers for clear identification. Rescue signs are critical components of a safety sign system, playing a pivotal role in ensuring swift and safe evacuation during emergencies in maritime environments, off-shore installations, or buildings. Serving as crucial markers, rescue signs guide individuals to safety by providing clear direction and vital information.

KEY FEATURES

- Halogen and PVC Free: Crafted with modern, safe, and eco-friendly materials.
- 100% Environmentally Friendly and Recyclable: Committed to reducing our carbon foot-print with recyclable materials for a greener future.
- Back Printed for Durability: Features a back-printed design for added protection, ensuring long-lasting performance and resistance to fading.
- Glossy, Quality Finish, Easy to Wipe Clean: Glossy finish for easy maintenance, saving time and effort. Professional look.
- Easy to Mount with Self-Adhesive Backing: User-friendly self-adhesive backing for quick and hassle-free installation.
- 5-Year Warranty, Even on Outdoor Use: Provided with a 5-year warranty, demonstrating enhanced reliability and confidence in performance, including outdoor applications. En-hanced reliability and confidence in the performance of the signs, backed by an extended warranty period.
