Helicopter Grab Hook

DESCRIPTION

The Rescue Grab Hook is an essential tool specifically designed for emergency rescue operations involving helicopters. It is used as part of a complete helicopter crash kit, allowing debris to be pulled from a safe distance.

KEY FEATURES

- **Emergency Helicopter Rescue Hook:** Designed specifically for helicopter rescue operations.
- **Non-Conductive Handle:** 40mm straight-grained ash, providing safety near electrical hazards.
- **Heavy-Duty Steel Head:** Provides strength and high visibility with its red colour.
- **Blunted Points:** Securely grip clothing without causing tears, ensuring safe evacuations.
- **CAP 437 Compliance:** Meets offshore helicopter landing area standards for assured reliability.
- **Four-Part Assembly:** Allows for easy storage and transportation.

Helicopter Grab Hook
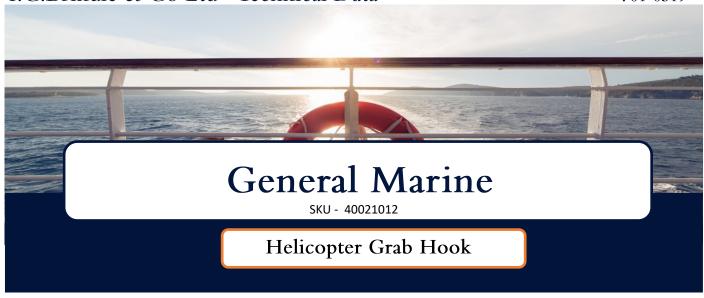

SPECIFICATION

- **Designed for Helicopter Crash Rescue Equipment**: Ideal for emergency rescue operations involving helicopter crash scenes.

- **CAP437 Compliance**: Meets the necessary standards for offshore helicopter landing areas.

- **Durable Construction**: Made in four sections for easy storage and transportation efficiency.

- **Total Length When Assembled**: 4.15 meters (fully extended)

- **Heavy-Duty Steel Head**: Forged from heavy-duty steel and coloured red for high visibility.

- **Non-Conductive Handle**: 40mm straight-grained ash, ensuring safety during electrical storms or near power sources.

- **Heavy-Duty Screwed Brass Ferrule**: Allows for easy assembly and disassembly.

- **Blunted Points**: Designed to grip clothing / materials securely without causing tears.

TECHNICAL INFORMATION

- **Article Number:** HCERGHOOK
- **HS Code:** 44219090
- **Total Length Assembled:** 4.15 metres
- **Diameter:** 40 mm
- **Weight:** 5 kg
- **Handle Material:** Non-conductive material - 40mm
- **Head Material:** Heavy-duty steel, red colored for visibility
- **Assembly:** Four parts with heavy-duty screwed brass ferrule
- **Compliance:** CAP 437
- **Special Features:** Blunted points for gripping clothing without causing tears.
