

SOLAS Approved Lifejackets

SKU - 40020492

SOLAS—L.S.A Code Foam Lifejacket

Purpose-built foldable foam lifejackets SOLAS approved, designed specifically for equipping merchant ships. These high-quality life-saving devices are meticulously constructed with SOLAS-approved reflective tapes, an approved whistle, and two versatile positions for lifejacket light installation (front or side). Additionally, they feature a practical belt that terminates in a secure plastic hook, enabling individuals wearing the lifejacket to be conveniently strapped together. With a focus on safety and functionality, the merchant ship foam life jackets provide reliable protection and peace of mind for crew members and passengers.

KEY FEATURES

- Space-efficient design for vessels with limited storage conditions, easily stowed under seats, maximizing onboard space.
- SOLAS-compliant, adhering to international safety standards.
- Equipped with approved reflective tapes for enhanced visibility in low-light conditions and emergency situations.
- Integrated whistle for attention-grabbing and distress signalling.
- Convenient lifting loop for easy retrieval and rescue operations.
- Secure crotch strap to keep the lifejacket in place during water activities.
- Practical buddy line for easy connection or tethering of individuals wearing the lifejacket.
- Transparent pockets for quick access to essential items.
- Versatile light installation positions (front or side) for increased visibility and aiding rescuers.
- Belt with secure plastic hook for convenient strapping together, ensuring safety and group cohesion.
- Provides reliable protection and peace of mind for merchant ship crew members and passengers.
- Versatile light installation: Offers multiple positions for installing a lifejacket light, either on the front or side, increasing visibility and aiding rescuers in locating individuals.
- Belt with plastic hook: Features a practical belt with a secure plastic hook, allowing individuals to be conveniently strapped together for added safety and group cohesion.
- Reliable protection: Designed for merchant ships, these high-quality foam lifejackets ensure reliable protection and peace of mind for crew members and passengers alike.
