SKU - 40020010

## SOLAS 24” Lifebuoy

### DESCRIPTION

High quality 24" Orange lifebuoy fitted with SOLAS approved retro reflective tape and white braided grab lines. If a lifebuoy line is required - our 20m Encapsulated Line fits neatly inside the lifebuoy and provides 20m of line when thrown.

### KEY FEATURES

- Tough, durable polyethylene. Making it corrosion and impact resistant.
- Grab-lines and class 1 retro reflective bands for easy visibility during rescue.
- Designed for use by Local Authorities River and Water Companies in both commercial and leisure activities.
- For use in either fresh or salt water.
- Ideal for deployment near rivers, canals and lakes.

Complies with RNLI guide.

- PU foam filled for increased durability.
- Buoyancy 153 Newtons. SOLAS Approved.
- Outside diameter: Standard - 62cm. SOLAS Approved
- Internal diameter: Standard - 41cm. SOLAS Approved
- Depth: SOLAS Approved - 12.5cm
- Weight: SOLAS Approved - 2.5Kg
