SKU - 40021155

### GP 10 Double Chamber Pump

#### **Description:**

The GP 10 Double Chamber Foot Pump delivers efficient inflation with a 5.5 L / 1.6 L capacity and a maximum pressure of 800 mbar (11.6 psi). Built from strong nylon-reinforced fibreglass, the pump is lightweight at only 1.9 kg and features four anti-slip feet, a crush-resistant hose, and a built-in visual pressure indicator for safe and controlled inflation. Designed with a single-action inflate mode and an inflate/deflate function, it offers consistent performance for small inflatables like SUPs, kayaks and boats.

#### **KEY FEATURES**

- **Double Chamber Capacity:** 5.5 L / 1.6 L per stroke for efficient inflation
- **Max Pressure:** 800 mbar (11.6 psi) for reaching recommended boat inflation levels
- **Inflation Mode:** Single action with inflate/deflate function for versatility
- **Visual Pressure Indicator:** Prevents over-inflation without needing a separate gauge
- **Durable Construction:** Nylon-reinforced fibreglass resists sun and seawater damage
- **Lightweight Design:** Just 1.9 kg for easy handling and transport
- **Stable Operation:** Four anti-slip feet ensure secure footing during use
- **Crush-Resistant Hose:** Reliable performance and long service life
- **Compact Dimensions:** 35 x 25 x 8 cm for easy storage on board
- **Applications:** Suitable for SUPs, kayaks, dinghies, ribs, and boats

### GP 10 Double Chamber Pump

## SPECIFICATION

### GP 10 - foot pump - 6090010

- **Capacity:** 5.5 L / 1.6 L for efficient inflation
- **Max Pressure:** 800 mbar (11.6 psi)
- **Inflation Mode:** Single action with inflate/deflate function
- **Pressure Control:** Built-in visual indicator prevents over-inflation
- **Construction:** Strong nylon-reinforced fibreglass, sun and seawater resistant
- **Weight:** Lightweight at 1.9 kg for easy handling
- **Stability:** Four anti-slip feet provide secure footing during use
- **Hose:** Standard crush-resistant hose included
- **Dimensions:** Compact size – 35 x 25 x 8 cm
- **Applications:** Suitable for SUP, kayaks, dinghies, ribs, and boats

## TECHNICAL INFORMATION

- Capacity: 5,5 L / 1,6 L
- Max Pressure: 800 mbar (11.6 psi)
- Inflate mode: Single action
- Function mode: Inflate/Deflate
- Dimensions: 35 x 25 x 8 cm
- Weight: 1,9 Kg
- Suitable for: SUP, KAYAK and BOATS
