Besto 300 A/H Wipe Clean Lifejacket

DESCRIPTION

The Besto 300N Auto-Harness Wipe Clean Lifejacket is a high-quality, automatic professional lifejacket for commercial use. Featuring a double protective cover, integrated harness, and crotch strap, it gives you a secure attachment and comfortable neck support. Robust, washable, oil- and grease-resistant, and trusted by the Dutch navy, harbour authorities, and professional maritime crews.

KEY FEATURES

- **Besto 300N Auto-Harness Wipe Clean Lifejacket:** high-quality automatic professional lifejacket for commercial use
- **Professional Applications:** work vest, commercial vessels, industrial, wind farms, professional fishermen, fishfarms
- **Double Protective Cover:** durable, washable, oil- and grease-resistant for extended service life
- **Integrated Safety Harness & Crotch Strap:** secure attachment to safety lines for reliable personal protection
- **Back-Fastened Collar with 3D Fit:** ensures safe and comfortable neck support during extended wear
- **Wipe Clean Black Cover:** reinforced edges for extra robustness and long-lasting durability
- **EU Made:** trusted by the Dutch navy, harbour authorities, and professional maritime crews
- **I.C. Brindle Servicing:** carried out directly at our dedicated lifejacket service centre for convenience and safety
