Lifejackets & Servicing

SKU - 40020734-40020745

Crewfit 275N XD Lifejacket

Crewsaver Crewfit 275N XD for unparalleled comfort and performance. With a modular design, customise covers, inflation, and harness options to suit your needs. Experience freedom of movement with Fusion 3D tech and built-in twin waist adjusters for easy donning. The 500D cover ensures durability, while the external indicator window with Pro-Sensor or Hammar firing mechanism allows swift status checks. The 275N bladder surpasses standards with 290N buoyancy, offering excellent turning solutions, even with heavy clothing. Its visible inflation features include built-in chin support, location beacon attachment points, and dual lifting beckets. ***Available with manual, automatic and harness options**

Key Features & Equipment Benefits:

- **Modular, Heavy-duty 500D outer cover:** Ideal for busy commercial working environments, ensuring durability and longevity.
- **EXOLOK System:** Provides a clear indication if the cylinder moves, becomes unscrewed, or is tampered with, enhancing security.
- **Ergonomic Fusion 3D Design:** Moulds to the shape of your body for maximum comfort during use.
- **Intuitive Twin Waist Adjusters:** Ensure a correct fit, enhancing the lifejacket's effectiveness.
- **Removable Dual Crotch Straps:** Eliminate ride-up, maintaining comfort and stability.
- **Dual Lifting Becket:** Aids in recovery, providing additional assistance in challenging situations.
- **Indicator Window with Protective Panel:** Allows for quick glance firing mechanism inspection, ensuring readiness.
- **Unique Buoyancy Distribution:** Helps turn you quickly when in the water, enhancing safety.
