Crewsaver Crewfit 150N HF Lifejacket

Lifejacket

Designed for continuous wear, the High Fit life jacket ensures a snug fit, even during extended usage. The EXOLOK system enhances the life jacket gas cylinder's security, providing you with peace of mind. Designed for constant wear. The High Fit lifejacket provides you with a comfortable fit, even during long periods of use and the EXOLOK system increases security for the lifejacket gas cylinder.

Key Features & Equipment Benefits:

- **Heavy-duty 500D Outer Cover:** Ideal for busy commercial working environments, ensuring durability and longevity.
- **EXOLOK System:** Provides a clear indication if the cylinder moves, becomes unscrewed, or is tampered with, enhancing safety and security.
- **Compact Fusion 3D Design:** Offers a comfortable fit with a high profile, providing ease of movement during use.
- **Intuitive Twin Waist Adjusters:** Ensure a correct fit, enhancing comfort and customization according to individual preferences.
- **Supplied with a Single Crotch Strap and Soft Loop Harness Point:** Adds stability and security, preventing the lifejacket from riding up during use.
- **Lifting Becket:** Aids in recovery, providing assistance in emergency situations.
- **Indicator Window:** Allows easy status checks of the lifejacket, ensuring readiness and peace of mind.
- **Unique Buoyancy Distribution:** Facilitates quick turning when in the water, optimising safety and manouverability.
