SOLAS WOSS PPE Drysuit

The SOLAS approved Water Operation Safety Suit (WOSS), designed to ensure maximum safety for marine professionals. This high-quality suit has been rigorously tested and approved by SOLAS, making it the ideal choice for anyone working in and around water.

KEY FEATURES

- Compliance with SOLAS standards: The WOSS meets international safety standards set by SOLAS, ensuring optimal protection for workers in aquatic environments.
- Buoyancy and insulation: The WOSS provides excellent buoyancy and insulation to keep the wearer afloat and warm, even in cold water.
- Reflective tape and whistle: The WOSS is equipped with reflective tape and a whistle, making it easier to locate the wearer in low-light or emergency situations.
- Integrated harness and lifting strap: The WOSS comes with an integrated harness and lifting strap for easy and safe rescue and recovery operations.
- Heavy-duty zippers and closures: The WOSS features heavy-duty zippers and closures, ensuring a secure fit and protection against water penetration.
- Durable and comfortable materials: The WOSS is made from high-quality, durable materials that can withstand tough marine environments, while still providing maximum comfort to the wearer.
- Easy to clean and maintain: The WOSS is easy to clean and maintain, ensuring it stays in good condition for longer.
