

Davits, Winches & Lifting

SKU - PCDD1000

Powder-Coated Deck Davit & Winch - 1000lbs

Powder-Coated Deck Davit with Winch, capable of lifting up to 1000lbs. Made with high-quality materials and powder-coated for added durability, this deck davit is designed to lift heavy loads with ease. This kit includes a stainless steel hand winch with an auto brake, specifically designed to work seamlessly with the davit, ensuring that your lifting process is safe and efficient.. The expandable boom ranges from 23.4in.–67.5in., with a lift range of 48in.–94in. That means you'll have plenty of room to maneuver and lift even the heaviest loads. With its durable powder coating, this deck davit is built to withstand harsh weather conditions.

KEY FEATURES

- **Heavy-Duty Capacity:** With a 1,000lb. capacity, this deck davit is powerful enough to handle tough lifting jobs with ease.
- **Expandable Boom:** The davit's expandable boom ranges from 23.4in.–67.5in., providing ample space to maneuver and lift even the heaviest loads.
- **Lift Range:** The lift range of the davit is 48in.–94in., making it suitable for lifting loads to high elevations.
- **Stainless Steel Hand Winch:** The kit includes a 1,000lb. capacity stainless steel hand winch with an auto brake, specifically designed to work seamlessly with the davit.
- **Powder-Coated Finish:** The deck davit is powder-coated for added durability, making it resistant to harsh weather conditions and ensuring it can withstand the test of time.
- **Versatile:** The deck davit is suitable for a variety of commercial lifting applications
