

Davits, Winches & Lifting

SKU - SSDD2000

Stainless Steel Deck Davit & Winch – 2000lbs

Reliable, heavy-duty Stainless Steel Deck Davit with Lifting Winch - designed as the ideal solution for the lifting of heavy loads onto vessels, docks, and other marine applications. Manufactured with high-quality stainless steel — this deck lifting crane is built to withstand the harsh conditions of marine environments, resisting corrosion and ensuring long-lasting durability. Equipped with a powerful winch, the stainless steel 2000lb deck davit makes the lifting and lowering of heavy loads quick and easy. With a maximum weight capacity of 500kg, it can handle a wide range of loads, making it ideal for commercial and industrial applications. The winch also features a safety brake to prevent unintentional lowering of the heavy loads, providing added security and peace of mind. Easy to install, the Stainless Steel Deck Davit can be securely mounted onto any flat surface using the included mounting hardware. Its compact and sleek design makes it a perfect addition to any boat or dock, without taking up too much space.

KEY FEATURES

- 2,000 lb. capacity for heavy lifting tasks
- Hardened gears provide smooth, dependable operation
- Durable stainless steel construction ensures long-lasting use
- Includes 20 feet of stainless steel cable for added versatility
- Sturdy 16in.L x 17in.W x 14in.H base keeps crane securely in place
- 11:1 gear ratio makes lifting and lowering easy
- Boom length of 26 4/5–80 1/5 inches for maximum versatility
- 4 1/2 inch column diameter adds stability during use
- Lift range of 48 1/2 – 93 3/5 inches for tall lifting tasks

Davits, Winches & Lifting

SKU - SSDD2000

Stainless Steel Deck Davit & Winch – 2000lbs

SPECIFICATION

- Hardened gears provide smooth, dependable operation
- Durable stainless steel construction
- Includes 20 ft. of stainless steel cable
- Sturdy 16in.L x 17in.W x 14in.H base
- 11:1 gear ratio
- Ship Weight= 354.0 lbs
- Capacity (lbs.)= 2,000
- Lift Range (in.) 48 1/2 – 93 3/5
- Base Size (in.) 16 x 17 x 14
- Boom Length (in.) 26 4/5–80 1/5
- Cable Length (ft.) 20
- Column Diameter (in.) 4 1/2
- Height from Base to Pump Support (in.) 10
- Height from Base to Top (in.) 41 1/2

TECHNICAL INFORMATION

- Material: 316 marine-grade stainless steel finish
- Weight: 354 lbs.
- Height from base to pump support is 10 inches
- Height from base to top is 41 1/2 inches
