

## Hoist / Crane Davit Drum Winch 12V

SKU— 40020559

**12V Marine-Grade c/w Stainless Steel Wire Rope & Davit Hook**

The RP1000-1200 Hoist/Crane Davit Drum Winch is designed as an optional replacement of marine davits, specifically replacing Rule production from 1960 - 2000, found on major boat manufacturers such as Bayliner.

Featuring a built-in mechanical brake, the RP1 000-1200 is approved for overhead applications up to 1,000 lbs deadlift.

Available in two drum lengths with stainless steel drum and fasteners, or two drum lengths in regular steel.

NOTE: Most recommended model is the short frame with stainless steel drum and stainless steel fasteners.

Model #RP1000 SOLD COMPLETE WITH: - Wiring harness

- Wired Remote Control

- Marine Grade 250 Amp Solenoid

1
