

Ruth Lee Training Manikins

SKU - 40020484

Duty Range Manikin – Blue Light

The Ruth Lee Blue Light Services Range Duty Manikin is a popular training tool for Police Support and Fire-arms units engaged in specialist tactical training scenarios. Designed to simulate real-life situations such as policing at height, room entry procedures, public order, and riot control, this versatile manikin is a must-have for law enforcement agencies looking to train their personnel in critical skills

KEY FEATURES

- The Ruth Lee Blue Light Services Duty Range Manikin offers realistic weight distribution to simulate an unconscious casualty.
- It features a durable webbing loop at the back for easy handling and storage, and can withstand extreme conditions without damage.
- Made from water repellent material, it is suitable for wet and hazardous scenarios.
- The manikin's soft body joints eliminate the risk of injuries like pinch welts and bruising.
- An immobilization/extrication collar can be fitted around the neck for proper care.
- Optional shoutbox feature allows for personalization of a recorded message.
- The manikin also includes replaceable boots.

OPTIONAL EXTRAS

- tough drag protectors and overalls to greatly extend the life of your manikin. shoutbox and hood to give your casualty the power of speech to add extra realism. Face mask and wig for a more human-like appearance.
