Mullion Stream 150 Lifejacket

Stream 150N Lifejacket – your essential constant-wear, all-weather companion for general use, perfect for individuals donning foul weather clothing. This standard horseshoe design features a convenient touch-and-close fastening cover and a secure single back strap.

KEY FEATURES

- Durable Waterproof Fabric: Stay dry and confident with fabric that withstands the elements.
- Touch and Close Fastening Cover: Quick and secure protection for changing weather or emergencies.
- Stainless Steel Interlocking Belt Buckles: Robust security for enhanced safety during maritime adventures.
- Adjustable Waist Belt: Customize your fit for personalized comfort and safety.
- Detachable Crutch Strap: Increased stability and confidence during critical moments.
- Service Date Information Tag on the Belt: Easily track maintenance for proactive safety measures.
- Integrated Deck Safety Harness (EN ISO12401 Approved): Comprehensive safety meeting industry standards.
- Single Chamber: Efficient buoyancy with a streamlined design.
- Oral Inflation Tube: Personalized control with a readily accessible tube for manual inflation.
- Retro-Reflective Tape on Bladder: Increased safety in low-light conditions.
- Red Recovery Grab Strap on Bladder Marked "LIFT": Quick and identifiable retrieval facilitated by a marked grab strap.
- 33g CO2 Gas Cylinder: Rapid inflation powered by a reliable gas cylinder.
- Inflation System: Quick deployment with a user-friendly system.
- Marine Grade Whistle: Audible alert for heightened safety awareness in marine conditions.
