Seacrewsader 275N 3D Rope Access lifejacket

A groundbreaking innovation, developed in collaboration with the world's foremost offshore operators, the Rope Access 3D 275N* stands as the pioneering lifejacket in its category. Unmatched in its design, this exclusive life-saving gear is tailored for the offshore industry, incorporating a range of distinctive features to enhance both comfort and safety for professionals operating at heights.

***Compatible with a majority of fall arrest harnesses. Does not include fall arrest harness as standard**

Key Features & Equipment Benefits:

- **Removable Back Strap for Attaching Fall Arrest Harness:** One complete safety solution, ensuring seamless integration with fall arrest harnesses.
- **Durable Wipe Clean Cover:** Long-lasting and easy-to-clean feature enhances the lifejacket's durability and maintenance.
- **EXOLOK to Prevent the Gas Cylinder from Becoming Loose:** Enhanced gas cylinder security ensures safe and reliable performance.
- **Foam Padded Cover for Added Impact Protection:** Increased impact protection enhances safety in challenging environments.
- **Modular Cover System Allowing You to Change the Cover to Suit Your Needs:** Customisable cover options adaptable to specific needs and preferences.
- **Unique Bladder Distribution for Enhanced In-Water Performance:** Improved buoyancy distribution facilitates efficient rotation and maintains a face-up position.
- **Fitted with an Array of Features Including a Buddy Line and Beacon Status Indicator:** Well-equipped with essential safety features ensures comprehensive protection and enhanced safety measures.
- **2 x Inspection Zips for Inflation Mechanism and Beacon Status:** Convenient access for inspection ensures readiness by inspecting the inflation mechanism and beacon status.
