SKU - 40020725-40020733

Crewfit 275N XD Fire-Retardant

The Crewfit 150N XD presents cutting-edge comfort and performance technologies, providing a modular design that allows for customisable options in covers, inflation, and harness to cater to individual preferences. The fire-retardant cover proves to be a practical choice for welders and individuals seeking protection from sparks and embers. Crafted from a blend of fire-resistant fibres with an aluminised face, this cover ensures efficiency and safety.

***Available with manual, automatic, Hammar, and harness options**

Key Features & Equipment Benefits:

- **Fusion 3D Ergonomic Shape:** Unmatched comfort and freedom of movement.
- **Hard-Wearing Fire Retardant Outer Cover:** Robust protection against flame, burning, and molten metal splashes.
- **Twin Waist Adjusters:** Unique design for a customised fit and ease of adjustment.
- **YKK Tri Quick Burst Zip:** Quick and reliable zip functionality for easy donning.
- **Supplied with Dual Crotch Straps:** Ensures secure and stable positioning for enhanced safety.
- **275N Bladder Outperforms Approval:** Provides an impressive 290N worth of buoyancy for enhanced safety.
