## 30” White Lifebuoy with Lettering

### DESCRIPTION

30- inch white Lifebuoys with unique lettering combinations for instant identification — ensuring that your lifebuoys stand out amongst the crowd. These 30" Lifebuoys are a great addition to your water safety equipment collection, providing both practical benefits and an aesthetic appeal. Whether you're a holiday home owner looking to ensure your guests are safe during their stay, or seasoned yacht sailor looking to a unique touch your vessel before voyage.

### KEY FEATURES

- **Buoyancy:** 30 inch Lifebuoys provide ample buoyancy, helping to keep a person afloat and reducing the risk of drowning.
- **Visibility:** The unique lettering of your lifebuoy makes them easier to identify, giving your lifebuoy, or vessel a personal touch!
- **Durable Materials:** The Lifebuoys are made of high-quality materials that are resistant to weathering and UV rays, ensuring that they remain in good condition even after prolonged exposure to the elements, and marine environments.
- **Easy to Deploy:** The Lifebuoys are designed to be easily thrown into the water when needed, and equipped with grablines, allowing for quick and efficient deployment, and retrieval in emergency situations.
- **Lightweight:** Despite their sturdy construction, the Lifebuoys are lightweight and easy to handle, making them suitable for people of all ages and physical abilities.
- **Versatile:** The Lifebuoys can be used in a variety of settings, including on boats, beaches, marinas, and swimming pools, making them a versatile and essential piece of safety equipment.
- **Decorative:** The unique lettering combinations and sleek design of the 30 inch Lifebuoys also make them a great decorative item, adding a nautical touch to any room or space.
