

# EQUIPMENT LOCKERS

SKU - 40020166

JB70 Chest

## DESCRIPTION

Small, compact storage chest that is widely used in the Offshore energy and marine sectors.

These chests are manufactured using Lloyds approved composites including UV resistant gelcoats to provide long lasting protection for equipment stored inside in even the harshest environments. This is backed up with an excellent IP rating of 56. It has both Lloyds and ABS approvals.

The design ensures a high level of rigidity for the relatively low weight with a very effective EPDM seal around the lid aperture. The hinges and catches are secured with 316 stainless steel nuts, bolts and washers.

## SPECIFICATION

### Dimensions (mm)

Height x width x depth: 610 x 490 x 550

Aperture: 381H x 401W

Internal depth: 381

Weight Kg: 10 Kg

### Material specification:

Colour: Orange RAL2009

Material: Lloyds approved composites with UV stabilised gelcoat

Hinges: Stainless Steel

Lid Catch: Protex clips

Seal: EPDM

### Optional Extras:

Other RAL colours

Class 1 fire retardant composites

Heating and insulation
