## Discharge of Garbage IMO Poster

### DESCRIPTION

IMO poster providing comprehensive guidance on garbage discharge regulations, which is essential for maritime compliance. Through a colour-coded table and accompanying notes, it details permissible and prohibited discharge for various garbage types such as food waste, cargo residue, clean agents, animal carcasses, plastics, synthetics, and more. Clear distinctions indicate whether discharge is permitted, prohibited, or must occur en route and as far as practicable, or en route and as far from the nearest land as possible, with depth details specified.
